Dear Tom and Crew,

Recently, you completed a major road project for our Association. On behalf of myself and the Board of Trustees, we would like to thank you for a job well done! The Belgium block curbing installation looks amazing and the new road in our very long entrance looks beautiful.

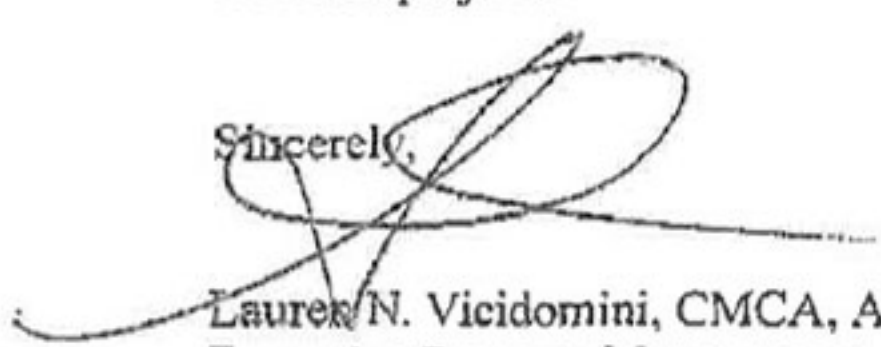

As you were aware, Hidden Meadows Drive was an extremely high traffic roadway, due to the fact it is the only way into and out of the Community. Providing flagmen for us was very necessary and much appreciated.

Your crew was just great overall. They were pleasant to work with and very professional. Your name alone stands for neatness and professionalism, both of which you and your men showed each and every day of the four weeks they were on site.

As always, I will continue to recommend Eosso Brothers Paving to other managers.

Thank you again for a job well done and I look forward to working with you in the future on other projects.

Sincerely,

Lauren N. Vicidomini, CMCA, AMS
