Subject: Thank you!

Anthony,

Sorry this email has taken so long, but I wanted to thank you for the great job that was done at my house in Millstone Township. Your company does really great work. Our portfolio of buildings we manage is growing by the month, and you can be assured that should we need services like yours, you will definitely be on the top of our vendor list.

I actually have a big project coming up in about a year that I will want you to bid on.

Thanks again for all your help.

Keith
