Dear Tom,

Over the past year the Village Grande at Holmdel has used your services for Crack Filling and Catch Basin repairs. Just recently you and your crew seal coated the entire Community under very difficult circumstances due to the weather. I would like to express my sincere appreciation for the great job you did and for the courtesy and professional way your employees acted. It was very nice having the Golf Cart on site to assist some of the residents. And the notification process you used to keep all the residents informed of changes to the schedule was great.

Once again thanks for the great job and rest assured from now on Eosso Brothers is the Company we will use on any future work.

Very truly yours,

Bill Goodman, Board Member
